# Mainland University Study Subsidy Scheme 2023/24

## Introduction

The Mainland University Study Subsidy Scheme (MUSSS) aims to support Hong Kong students in pursuing undergraduate studies on the Mainland and ensure that no students will be deprived of post-secondary education opportunity due to a lack of means. MUSSS comprises two components: "means-tested subsidy" and "non-means-tested subsidy". The subsidy is granted on a yearly basis, and the subsidised period is the normal duration of the undergraduate programme pursued by the student concerned in a designated Mainland institution. Eligible applicants can only receive either a means-tested subsidy or a non-means-tested subsidy in the same academic year. MUSSS is not subject to any quota.

Applications for MUSSS for the 2023/24 academic year are now invited. Eligibility for MUSSS, the amount of subsidy and the application procedure are as below:

*\*A student who is expected to receive his/her right of abode within the 2023/24 academic year may also apply.*

The Student Finance Office under the Working Family and Student Financial Assistance Agency will conduct the means tests for the families of the applicants.
